Introduction

Inspired by nature, Castaway Bay is located in a secluded and tranquil amphitheatre within the stunning aquatic playground of the Whitsundays.

The Whitsundays lie midway along the Queensland coast - a group of 74 Islands bordered by the Great Barrier Reef and cradled by the calm and sheltered waters of the Coral Sea; a picturesque coastline of wooded peninsulas, sandy coves and welcoming holiday retreats.

Airlie Beach is the gateway to the Whitsundays, a colourful, cosmopolitan and inviting holiday town lying on the shores of a palm fringed beach and overlooking the calm waters of Pioneer Bay dotted with yachts.

With its close proximity to Airlie Beach, Castaway Bay provides the ideal mainland base for holiday fun and adventure in the Whitsundays.
